

NEW LAUNCH!

Emmanuel F Hair and Beauty Couture's beautiful flagship salon is now open, with an entrance above Cartier on Des Voeux Road with city views of IFC. They are making some serious elegant and eco friendly waves.

Now not only leading the way in organic hair colouring and treatments but also with their full facial and body beauty services in their zenned out private rooms. The Lymphatic Drainage (\$600) is melting away HK's toxins and the Light's Delight Facial peels to reveal fresher complexions. Then you are ready to be waxed with plastic free wax, that means less ouch and more oh la la. Even the mani's and pedi's are free of parabens and rosin.

Phyt's skin care developed in France have been well ahead of the organic trend and haven't used any chemical products for more than 35 years. Plus no testing on animals. For the final touch there's Couleur Caramel makeup which is the first full range of organic makeup in HK free of mineral oil, lead and petroleum. Check it out!

Organic colour is available at Emmanuel F, Eco Hair and Beauty Couture, Nexxus Bldg 2/F 41 Connaught Rd Central (shopping mall entrance on Des Voeux Rd) (852) 2167 8280
